

Subscription form Telephony- ADSL

BELGIANTELECOM

1- Personal information

Name: First Name:
 Street: Number:
 Postal code: City: Nationality:
 Date of birth: . . . - . . . - . . . (day-month-year) Phone number :

--	--	--	--	--	--	--	--	--	--

 E-mail* : @
* Your e-mail address is confidential and will not be published nor sold for commercial use.

2- Fixed Phone (land line):

☐ Yes ☐ No, thank you

I would like to benefit the following tariff plan for calls to land lines of the national operator in Belgium:

☐ Standard ☐ Freedom * ☐ Comfort *

* the service preselection is obligatory for use of this tariff plan

Mention your own phone numbers you wish to subscribe for our services:

Line 1

--	--	--	--	--	--	--	--	--	--

 Line 3

--	--	--	--	--	--	--	--	--	--

 Line 2

--	--	--	--	--	--	--	--	--	--

 Line 4

--	--	--	--	--	--	--	--	--	--

I wish to enjoy:

☐ Preselection 1616
☐ Manual (prefix) 1616

Customer id Belgacom*:

--	--	--	--	--	--	--	--	--	--

* to be found in the upper-right corner of Belgacom invoices

Your Belgacom customer identification number is mandatory in order to install the 1616 Carrier PreSelect (CPS) service on your land line!

3- ADSL BTC Extra @ 29,49 €/ month:

☐ Yes ☐ No, thank you

The minimum subscription duration for ADSL BTC Extra is one year. Without the service Preselection 1616, the monthly subscription fee will be raised 5 €.

I have the following type of line: ☐ Analogous (PSTN) ☐ Digital (ISDN)

You already have ADSL ? : ☐ Yes, my current operator is : ☐ No

Installation kit : in order to be able to enjoy ADSL you need a splitter(s), router/modem and network adapter. Choose your desired equipment by checking the corresponding boxes:

Filters		Modems / Routers	
<input type="checkbox"/> ADSL 5-pin splitter PSTN	9,68 €	<input type="checkbox"/> Zyxel ADSL2/2+ 1 port Ethernet PSTN	69,95 €
<input type="checkbox"/> ADSL full rate splitter PSTN	18,15 €	<input type="checkbox"/> Zyxel ADSL2/2+ 1 port Ethernet ISDN	69,95 €
<input type="checkbox"/> ADSL full rate splitter ISDN	25,41 €	<input type="checkbox"/> Zyxel ADSL2/2+ 4 port Ethernet PSTN	98,99 €
		<input type="checkbox"/> Zyxel ADSL2/2+ 4 port Ethernet ISDN	98,99 €
		<input type="checkbox"/> Zyxel ADSL2/2+ wireless+ 4 ports Ethernet PSTN	120,82 €
		<input type="checkbox"/> Zyxel ADSL2/2+ wireless+ 4 ports Ethernet ISDN	120,82 €

Network adapters for wireless modems/routers:

☐ Zyxel Wireless, PCMCIA (65,10 €) ☐ Zyxel Wireless, PCI (61,47 €) ☐ Zyxel Wireless USB (65,10 €)

I possess an alarm system, connected to a central dispatch: ☐ Yes ☐ No (If you possess an alarm system and you do not use any ADSL service yet, you have to order the mandatory telecom device from Belgacom to ensure your alarm system will work properly. If you already use ADSL in combination with your alarm system, you do not need the mandatory telecom device. The installation will be billed at 119 Euro (VAT included).

Standard installation of pc/modem by technician (150 Euro) : ☐ Yes ☐ No

Extra e-mail boxes (€ / month): ☐ 1 e-mail box (0,25 €) ☐ 5 e-mail boxes (1,27 €) ☐ 10 e-mail boxes (2,54 €)

All tariffs VAT included.

4- Automatic bank transfer (direct debit):

The subscription form is not valid without an Automatic Bank Transfer.

I, the undersigned, accountholder who pays the invoice, request Belgian Telecom (Centrea CVBA), Eikenstraat 35, B-2840 RUMST, identification number 478.734.986 as from present till explicit revocation, to collect all invoices by debiting the account mentioned below:
